

# Leadership Wheel

For each section of the wheel, click the circle next to the number that represents your current level of satisfaction. The higher the number, the more satisfied you are in that area. (If you printed the worksheet, connect the circles for more visual interest.)

Take a few moments to reflect on how you scored each area of your leadership.

How balanced is the wheel and what impact does that have on your leadership style?

Why did you score yourself in each category the way you did?

What area is really drawing your attention that you'd like to focus in on?

# Interested in sharing your insights and further exploring your satisfaction levels?
